Las Vegas, NV Jan. 7 - Jan. 10, 2020

Dear Meagan,

You are invited to be the special guest of the Consumer Technology Association (CTA)™ at our nation's largest annual tradeshow — CES® 2020, to be held Jan. 7-10, 2020 in Las Vegas, NV.

As a technology policy leader, you are invited to participate in our Leaders in Technology (LIT) program at CES. As a participant, you will experience firsthand the innovative consumer technology industry that drives the American economy and provides millions of U.S. jobs.

CES is the world's gathering place for all who thrive on the business of consumer technology. Featuring the largest, global hands-on showcase of emerging innovation, CES represents all aspects of the technology spectrum. As a LIT program participant you will be able to interact with cutting-edge technology such as artificial intelligence, 5G, and self-driving technology, as well as discuss the policy issues that govern such emerging technologies as part of the Innovation Policy conference program.

The program is also designed to meet the

requirements of the ethics committee of the U.S. Senate for privately-sponsored travel. Pursuant to the rules, we are permitted to pay for no more than two nights and one day, subject to approval. The program, including guest rooms and the Leaders in Technology registration suite, is headquartered at the Encore at Wynn Hotel.

CTA is offering to provide your roundtrip coach airfare, lodging, transportation in Las Vegas from and to the airport, as well as the show sites and group meals during your stay in Las Vegas. Attached please find the required Private Sponsor Certification Form and list of Senate member invitees for your review. This form will need to accompany your request to the U.S. Senate Selection Committee on Ethics for approval of privately-sponsored travel. CTA is not a lobbying firm, but does employ federal lobbyists.

Register today by creating an account using this email address — meagan_foster@tomudall.senate.gov.

This is a limited, non-transferable invitation and we ask that you reply by Nov. 15. For questions, please contact LITprogram@CTA.tech or 703-907-7795.

We hope that you will be able to join us for the Leaders in Technology program at CES 2020—the global stage for innovation.

Sincerely,

Gary Shapiro

- 13. The Leaders in Technology Program (LIT) at CES allows high level public policy makers and technologists to learn from more than 3,900 exhibitors and thousands of new products that contribute to a dynamic industry that supports an expected \$1 trillion in retall sales worldwide. The program provides information and insight to assist officials in evaluating federal policies that affect the consumer technology industry. The LIT program advances the mission of CTA to provide practical resources to help companies grow every facet of their business. CTA is where technology connects, collaborates and contributes. CTA helps companies succeed through research, events and an extensive network of councils and working groups covering everything from public policy to technology standards.
- 21. The expense for attendance at CES 2020 exceeds the federal per diem rate. All meals are standard conference meals, open to all Leaders in Technology participants and are held without regard to congressional participation. Price is specified by the catering service. Meal costs are fixed for all conference attendees at the negotiated rates set by the venues.

The lodging rate of \$399 also exceeds the federal rate. This is due to that fact that Las Vegas hotels are at capacity during CES. This lodging rate is available to all CES attendees and was the best available negotiated rate for this property. The hotels are chosen for the accommodation requirements for (1) a large group of over 180,000 attendees and (2) easy access to the CES show floor, conference sessions and meeting space.

United States Senate

SELECT COMMITTEE ON ETHICS

December 30, 2019

Meagan Foster
Office of Senator Tom Udall
United States Senate
Washington, DC 20510

Dear Ms. Foster:

This responds to your recent correspondence concerning an invitation you received to travel to the Consumer Electronics Show in Las Vegas, Nevada, on January 6–8, 2020, sponsored by Consumer Technology Association (CTA). CTA certified to the Select Committee on Ethics (the Committee) that it will pay the necessary expenses¹ related to the travel and that it is neither a lobbyist, lobbying firm, agent of a foreign principal, or otherwise acting as a representative or agent of a foreign government. However, CTA has certified that it is a private entity that retains or employs a registered lobbyist and that no registered lobbyist or agent of a foreign principal will accompany you on any segment of your trip.²

Based on information and materials available to the Committee, and assuming the actual travel and travel-related expenses conform to the information and materials you provided, it appears that the proposed payment or reimbursement of necessary expenses for this one-day (exclusive of travel time and two overnight stays) trip may be accepted under relevant Senate Rules and the Committee's Regulations and Guidelines for Privately-Sponsored Travel, so long as at the time of the payment or reimbursement, CTA is neither a registered lobbyist or lobbying firm under the Lobbying Disclosure Act of 1995, or an agent of a foreign principal under the Foreign Agents Registration Act (and is not otherwise acting as a representative or agent of a foreign government), and provided the travel and all required documents are disclosed to the Secretary of the Senate in accordance with the provisions of Senate Rules 34 and 35.

Under Senate Rule 35, Senate staff must receive advance authorization signed by the Member or officer under whose direct supervision the individual works in order to accept payment or reimbursement for necessary expenses related to fact-finding travel. Further, such authorization and expenses must be disclosed to the Secretary of the Senate by filing the completed *Employee Pre-Travel Authorization* and the *Employee Post-Travel Disclosure of Travel Expenses* (Form RE-1 and Form RE-2), along with a copy of the *Private Sponsor Travel Certification Form*, and all relevant attachments (e.g., the private sponsor's invitation and itinerary) within 30 days of the conclusion of Privately-Sponsored Travel.

¹ The term "necessary expenses" has a specific definition. See Select Committee on Ethics' Regulations and Guidelines for Privately-Sponsored Travel – Glossary of Terms at 8.

² The term "any segment of your trip" has a specific definition. See id. at 3.

Finally, Senate Rule 34 requires a reporting individual,³ on his or her Financial Disclosure Report, to make an annual disclosure of the receipt of payments or reimbursements under Senate Rule 35 from a private sponsor for officially-related travel expenses where, in the aggregate, travel expenses exceed \$390 from that sponsor during a calendar year. However, if a Member, officer, or employee properly reports the receipt of necessary expenses for such travel to the Secretary of the Senate within 30 days of the travel, as discussed above, the travel expenses need not be disclosed a second time on their Financial Disclosure Report.

I hope you find this information helpful. If you have any additional questions, please do not hesitate to contact the Committee.

Sincerely,

Deborah Sue Mayer

Chief Counsel and Staff Director

Enclosure: Travel Checklist

³ A reporting individual is someone whose salary equals or exceeds 120% of the basic rate of pay for GS-15 (\$127,914 for CY 2019) or is a political fund designee and is required to file Financial Disclosure Reports.
